

## What a standing ovation looks like on paper...

"Brett & I both appreciate your efforts in getting our house SOLD. You certainly were persistent and professional. We will definitely recommend you to any of our friends or business associates that may be in the market to buy or sell real estate. Once again, we appreciate your professionalism and dedication to your clients. We hope to do business with you again in the future."

"We would like to express our thanks to Micoley & Company for selling our home. As you know the market is quite tough right now, but Micoley & Co stayed with it and didn't fill our heads with some lofty expectations about what we might sell our home for. We thought that you were persistent and professional. This is our second dealings with Micoley and Co. and we have been very satisfied with the results. Thanks for your efforts and continued success."

*-Rob & Tara Davis*

"I was extremely pleased with the efforts of Micoley & Co in the sale of my investment property. I do not like hassles and I can't say enough about how easy the transaction went. Even when things came up as we were getting close to closing, They would always call me with not just the issue but how it was already resolved and how they handled it. Exactly what I wanted to hear. Hassle free selling - it was awesome."

"I would recommend Micoley & Co to anyone who is serious about selling their home. They go above and beyond expectations making sure they covered all bases needed to sell your home in a timely manner. Micoley & Co was available whenever I needed them, and when it comes time to purchase another home they will be my number one choice."

"This was my second home sale with Micoley and Co. and I did not think my first experience could be surpassed in professionalism and quality. I was to be pleasantly surprised when Micoley & Co sold my second home in less than two months and met or exceeded all expectations.
